

KEY:
 Proposed closure
 Proposed diversion route

- NOTES:**
1. Traffic management: Road closure - 20:00 to 06:00
 2. All dimensions to be site measured. No scaling is to be carried out from this drawing.
 3. Only the length of road closure, diversion route and diversion signing is shown on this drawing and is offered only as a guide to the number of signs required
 4. The contractor is responsible for signing the diversion route and road closure to the requirements of Traffic Signs Manual - Chapter 8. This shall include roads leading to and from the closed section where required.
 5. Access and access for construction site is to be maintained to businesses and residents as is reasonably practicable.
 6. The contractor will supply signs indicating that "Businesses are open as usual" wherever applicable.
