

Want to grow your own produce but need an allotment?

Come to our Open Morning, meet other allotment gardeners and find out about the site.

Staff from Brickhill Parish Council will be available to discuss which plots are available and how to rent a plot. We have full and half plots available to rent now.

**The allotments are located at Foster's Brow  
just off Brickhill Drive**

Further details contact the Clerk on 01234 271708 or email
